

Brandywine Bible Chapel Website Redesign

I redesigned my church's website to present more information and provide easier access to the most important pieces of information on the website.

While the website is occasionally used by regular members, its primary function is to share information about the church with visitors and potential new members. I concluded that the most important information these potentials users would need would be:

- The starting time of the main meeting, The Breaking of Bread
- Contact Information and Directions to the Church

This information would be extremely useful to say a visitor coming to the church who might need to quickly check when he or she has to be there, and how to get there.

Because this information is so vital to the mission of the site, both pieces are prominently displayed on the homepage for immediate access. Contact information is displayed on an imitation of a business card, which is overlaid on a map of the area around the church.

Through the navigation bar users can find secondary information like the church's statement of beliefs, comprehensive meeting schedule, and more.

I designed and developed this site with responsive design in mind to ensure that users would have a pleasurable experience using this site no matter what device they were using. This greatly increases the ease of use in the potential scenario of a visitor quickly checking for directions on his mobile phone while getting ready for church.

What is the Gospel

This is the good news of the Bible, the message of the gospel. It's the message of the gift of God's own Son who became man (the God-man), lived a sinless life, died on the cross for our sin, and was raised from the grave proving both the fact He is God's Son and the value of His death for us as our substitute.

We firmly believe that:

- The Holy Scriptures, both the Old and New Testaments, are the verbally inspired Word of God — ([II Timothy 3:16](#))
- The Lord Jesus Christ is the eternal Son of God and that He became incarnate by virgin birth — ([Matthew 1:23](#))
- Our Savior, the Lord Jesus Christ, died on the cross to atone for our sins, rose bodily in triumph from the grave, and ascended to Heaven to sit down at the right hand of God — ([Hebrews 1:3](#))
- All of Adam's fallen race are sinners by nature and practice, absolutely helpless to save themselves from the condemnation of God — ([Romans 3:23](#))
- The only means of salvation is through personal trust in the Lord Jesus Christ as Savior. This salvation is the free gift of God's matchless grace, only received by faith, not by good works or anything else we may do — ([Ephesians 2:8-9](#))
- The Bible clearly teaches the imminent return of our Lord Jesus Christ to take all who have trusted Him to eternally dwell with Him in Glory above — ([John 14:3](#))
- The Lord Jesus Christ will come back to judge the world in righteousness — ([Acts 17:31](#))
